CAREER OBJECTIVE

A passionate AIML engineering student with strong interest in full-stack development and cloud technologies. Interested in cloud services and eager to explore scalable deployments. Seeking an entry-level role to enhance skills, gain industry experience, and contribute to innovative solutions.

EDUCATION

Vivekananda College of Engineering and Technology <i>B.E in Artificial Intelligence and Machine Learning (CGPA: 9.09)</i>	Puttur, Dakshina Kannada 2021 – 2025
Sri Venkataramana Swamy PU College <i>Pre-University (PCMC) – 84.83%</i>	Bantwal 2019 – 2021
SVS Temple English Medium School <i>SSLC – 75.36%</i>	Bantwal 2007 – 2019

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, C

Web Development / Full-Stack: HTML, CSS, React, Bootstrap, Tailwind CSS

Databases: MongoDB, MySQL

Cloud & Deployment: AWS, Render, Vercel, Git, GitHub, Prompt Engineering

Libraries / Frameworks / Tools: Flask, Streamlit, Figma, WordPress

SEO & Analytics Tools: Google Analytics, Google Search Console, SEMrush, Meta Business Suite, Zoho Platform

PROJECTS

FloraAI: Real-Time Medicinal Plant Identification Using AI and Mobile Vision <i>Python, Flask, Android Studio, Render</i>	Nov 2024 – Apr 2025
- Developed a mobile app to identify medicinal plants in real-time, classify species using deep learning, and provide NLP-based health remedies. - Integrated cloud deployment using Render for scalability and implemented RAG for AI response improvement.	
Learning Management System (Ongoing) <i>React, Typescript, MongoDB, Render, Vercel</i>	2025
- Developing an online LMS for course content, assessments, and progress tracking. - Integrated cloud deployment for smooth scaling.	
AI-Powered Face Recognition Surveillance System <i>Python, OpenCV, MongoDB, Twilio API</i>	Aug 2024
- Developed real-time surveillance using face recognition and cloud storage. - Integrated Twilio API to send SMS alerts when unknown individuals are detected.	
Travel Agency Management System <i>HTML, PHP, MySQL</i>	Mar 2024
- Created end-to-end system for bookings, authentication, and customer data handling.	

EXPERIENCE

Marketing Automation Engineer

Yaticorp India Pvt Ltd

May 2025 – Present

- Manage social media platforms across Instagram, Facebook, LinkedIn, and YouTube.
- Execute SEO using Google Search Console, SEMrush, and analytics tools.
- Plan and monitor paid campaigns on Google, Meta, and LinkedIn.
- Assist developers with pixel integration, GA4 analytics, and tracking setup.
- Generate performance reports and manage Zoho workflows.

Technical Coordinator

Yaticorp India Pvt Ltd

Present

- Assigned and tracked technical tasks using Zoho Projects across multiple company projects.
- Coordinated between development, marketing, and operations teams to ensure timely execution.
- Monitored project progress, issue resolution, and task dependencies.

Application Development & Integration Support (Developer)

Yaticorp India Pvt Ltd

Present

- Worked on frontend and backend development for internal tools and company web applications.
- Contributed to website development and maintenance of the official company website.
- Implemented responsive UI components and handled backend logic for application features.
- Integrated APIs, analytics scripts, and tracking pixels including GA4 and Meta.
- Supported deployment workflows, application updates, and integration across company platforms.
- Collaborated with cross-functional teams to ensure smooth technical coordination between applications and services.

CERTIFICATIONS & TRAINING

Cloud & DevOps + AI Certification Program – Microdegree (Ongoing)

- Currently learning AWS Cloud Fundamentals.
- Upcoming modules: Azure, Linux, Networking, DevOps, DevSecOps.
- Further learning: Generative AI, LLMs, Prompt Engineering, RAG Systems.
- Future: AI Agents and advanced agentic systems.

ACHIEVEMENTS & LEADERSHIP

- Event Lead – Yuganthara: Managed logistics and student coordination.
- Event Coordinator – Vistara: Led an event for 250+ PU students.
- Participated in IEEE Hackathon 2K23.
- Secured Consolation Prize in AVISHKAAR-2022 (Battery-Based Grass Cutter Machine).
